

SOCIOLOGY

A LEVEL

COURSE TITLE

A level Sociology

EXAM BOARD

AQA

METHOD OF ASSESSMENT

Examination

KEY TOPICS

Education, theory & methods

Family & households

Media

Crime and deviance

COURSE HIGHLIGHT

Current affairs such as the BLM movement, crime and deviance and institutional racism in the police force are all studied and debated. Studying sociology is beneficial both for the individual and for society.

Our students learn how to think critically about social issues and problems that confront our society. To enhance our learning and develop our thinking further, we welcome regular guest speakers and work closely with Teesside University.
